School Accountability Report Card

Reported Using Data from the 2010–11 School Year

Published During 2011–12

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

Ed-Data Partnership Web Site

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2010–11)

Alicia Reyes Elementary School is a traditional calendar school serving grades kindergarten through fifth. It lies in the Southwest part of the city of Merced, near Merced Municipal Airport. As its top priority, the entire staff of Reyes Elementary School strives to meet the social, emotional, and physical needs of students. The teachers and staff at Reyes Elementary School are dedicated to ensuring that our students come away with a well-rounded educational experience that will serve them well in the future.

Alicia Reyes Elementary 2010-11
School Accountability Report Card

Alicia Reyes Elementary School's vision is, "Discovering Our Potential". The mission of Alicia Reyes Elementary School is to partner with parents and students to work together to achieve student's fullest potential academically and socially in life as citizens of the world: "Watch Us Fly!"

Opportunities for Parental Involvement (School Year 2010–11)

Parents will be actively involved in their children's education. Parents will be encouraged to participate in school programs in a variety of ways: volunteering in the classroom; attending parent education night meetings; participating in multicultural activities; serving on site committees; attending literacy classes; and making classroom observations. Effective parenting is essential if children are to succeed in school. We recognize the need to continue to build bridges to our parent community. Beyond the governance role that formal school structures provide, we need to establish informal networks of collaboration. Regular communication about student progress via support programs such as CBET and parenting classes/workshops and roles for parent participation in supporting their child's home study are provided to parents. Teachers communicate regularly with parents about each student's progress and school events through conferences, phone calls, weekly homework packets, and written letters/flyers in Spanish and Hmong languages. They encourage parents to help their students to succeed in school by visiting classes, becoming engaged with students in homework activities, listening and talking to their child. If the home language is not English, parents are encouraged to work with students in their home language and participate in the English Learner Advisory Committee.

III. School Climate

School Safety Plan (School Year 2010–11)

Procedures are in place to follow in the event of a natural or manmade disaster, which includes student supervision, facility monitoring and parental notification. The school safety plan is designed to create an orderly, purposeful, and safe school environment by allowing its teachers to effectively teach and all students to actively learn. Effective teaching, regardless of how inspired and meaningful, regardless of how eagerly it is sought, can only take place and flourish in a school that provides for the physical, emotional, and psychological safety and well being of its students and staff. Procedures are in place for monitoring campus visitors. All visitors go to the school office to sign-in and get a pass which alerts staff to authorized visitors. All administrators, office personnel, and custodians carry 2-way radios to maintain immediate communication capability. All assigned yard duty personnel on the playground carry 2-way radios while on duty to ensure quick communication with the office in case of emergencies. Reyes Elementary School has a philosophy of providing good discipline to promote a safe, comfortable, and friendly learning environment. The Reyes School Code of Conduct provides students with the foundation necessary to grow scholastically. Reyes School enforces the Student Disciplinary Action Matrix developed by the district in order to provide students with opportunities to learn self-discipline through a system of consistent consequences for their behavior. Teachers have developed a positive discipline program and hold periodic classroom meetings to ensure the growth of students' problem solving skills as well as the development of interpersonal skills. Reyes School believes students will develop a sense of personal responsibility by observing its disciplinary policies and will consequently benefit from them. Parents and students are informed of discipline policies, rules, regulations, and the reward system at the start of each school year through classroom postings, student handbooks, and the district's Parent Information Booklet.

Suspensions and Expulsions

Expulsions	0	0	1.0	0.2	1.7	1.0

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment.

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2011–12)

The school grounds at Reyes School reflect a safe and inviting appearance. The school's perimeter is lined with a six-foot cyclone fence which maintains a secure area for students. The grounds are maintained in hazard-free condition by the Merced City School District Maintenance Department and the school's custodians. Recent beautification projects such as new plants have enhanced the school environment. The school is comprised of 32 classrooms including 8 relocatable rooms, 2 Orthopedically Handicapped classrooms. The main complex houses the Library Media Center, school offices, cafeteria, and classrooms.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2010–11)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor's degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>

* One Full-Time Equivalent (FTE) equals one staff member working full-time; one FTE could also represent two staff members who each work 50 percent of full-time.

VII. Curriculum and Instructional Materials

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2011–12)

This section describes whether the textbooks and instructional materials used at the school are from the most recent adoption; whether there are sufficient textbooks and instructional materials for each student; and information about the school's use of any supplemental curriculum or non-adopted textbooks or instructional materials.

Year and month in which data were collected: September, 2011

Core Curriculum Area	Textbooks and instructional materials/year of adoption	From most recent adoption?	Percent students lacking own assigned copy
Reading/Language Arts	Reading California, Houghton Mifflin, 2003	Yes	0
Mathematics	California Math, Houghton Mifflin, 2009	Yes	0

VIII. School Finances

Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2009–10)

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Supplemental / Restricted)	Expenditures Per Pupil (Basic / Unrestricted)	Average Teacher Salary
School Site	\$5,882	\$1,705	\$4,174	\$71,426
District			\$4,216	\$73,601
Percent Difference – School Site and District			1.01	.02
State			\$5,455	\$69,419
Percent Difference – School Site and State			1.30	.02

Note: Cells shaded in black do not require data.

Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted.

Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the *CDE Current Expense of Education & Per-pupil Spending* Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the *CDE Certificated Salaries & Benefits* Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2010–11)

In addition to general revenue funding from the State, the District receives state and federal categorical grants and allocations for special programs. This includes, but is not limited to the following categorical, special education, and support programs: Title I, Part A - Basic Grant, Title I, Program Improvement, Title II, Part A - Teacher Quality Title II, Part D - Technology Title III, Part A - Limited English Proficiency, Title IV, Part A - Safe and Drug Free Schools, Special Education, Community Based Education and Tutoring, Home-to-School Transportation, Class Size Reduction, Gifted and Talented Education, Economic Impact Aid and Quality Education Investment Act grant. Economic Impact Aid/State Compensatory Education & Economic Impact Aid/Limited English Proficient.

IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

School Accountability Report Card

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

California Physical Fitness Test Results (School Year 2010–11)

The California Physical Fitness Test (PFT) is administered to students in grades five, seven, and nine only. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test results to the district and state, see the CDE *PFT* Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE *API Web page* at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

Alicia Reyes Elementary 2010-11
 School Accountability Report Card

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

Alicia Reyes Elementary 2010-11
School Accountability Report Card

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE *AYP Web page* at <http://www.cde.ca.gov/ta/ac/ay/>.

Adequate Yearly Progress Overall and by Criteria (School Year 2010–11)

Federal Intervention Program (School Year 2011–12)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE *PI Status Determinations Web page*: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.
