School Accountability Report Card

Reported Using Data from the 2010–11 School Year

Published During 2011–12

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For additional information about the school, parents and community members should contact the school principal or the district office.

I. Data and Access

Ed-Data Partnership Web Site

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., state Academic Performance Index [API], federal Adequate Yearly Progress [AYP]), test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2010–11)

School Profile Sheehy Elementary School opened in 1953 and is named in honor of an excellent educator. Margaret Sheehy served as a teacher and principal for John Muir School and Fremont Charter School as well as superintendent of Planada Elementary School from 1947 to 1951. Margaret Sheehy Elementary School is a traditional calendar school serving Preschool through fifth and lies in the southwestern part of the city of Merced, just northeast of Merced Municipal Airport. Most students attend Tenaya Middle School upon graduating from Sheehy Elementary School. The mission of

**Margaret Sheehy Elementary 2010-11
School Accountability Report Card**

Margaret Sheehy Elementary School is to provide a safe, academically rigorous environment that develops life long learners of character. The school is proud of its unique instructional programs, including a GATE magnet program, a county handicapped class, and two district special education classes. The school is dedicated to ensuring that its students enrolled in preschool through fifth grade, come away with a well-rounded educational experience that will serve them well in the future. Our school vision: Together in pursuit of excellence. This describes the goal students, staff, and parents desire to achieve at Margaret Sheehy Elementary School. This statement directs the school to strive for academic excellence, to promote social growth, and develop a caring, nurturing environment for all. In order to accomplish our vision, we have identified the following goals:

- To communicate high expectations of academic achievement to all students
- To teach academic fundamentals
- To encourage students to develop positive and responsible behavior
- To build self-esteem by promoting mutual trust and respect for all members of the Sheehy community
- To provide a safe, clean, and orderly environment in which learning will occur
- To establish an effective parent involvement program

Opportunities for Parental Involvement (School Year 2010–11)

Parents are a critical component of any successful school program. Parents can get involved at Sheehy by attending our monthly PTC meetings, School Site Council and English Learners Advisory Committee meetings, and attending such functions as our Back to School Night, parent conferences, Open House, and Parent Education nights. A calendar of upcoming events is sent out monthly. Parents are welcome to visit classrooms while they are in session and meet with an administrator whenever they have a concern.

III. School Climate

School Safety Plan (School Year 2010–11)

Sheehy Elementary School provides a safe and clean environment for students, staff, and volunteers. The Sheehy Safety Plan is revised and updated annually in the fall. Policies are reviewed with administrators, staff, and School Site Members at the beginning of each school year. The School Safety Plan was designed to assist in preparing for emergencies, managing emergency response efforts, and maintaining a safe school environment. The plan requires identification of security needs, development of prevention and intervention techniques, evaluation of physical facilities, and communication with staff and students. This plan was tested with an expert in the safety field designing a mock disaster. After some fine tuning of the plan, it was approved by the School Site Council and the district office. Safety of students and staff is a primary concern of Sheehy Elementary School. The school complies with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student body and staff safety during an emergency. Fire and lock down drills are conducted on a monthly basis. Assigned staff members monitor the school grounds and supervise students everyday before, during, and after school. All visitors are required to sign in and out at the office before entering or leaving the campus, and must also wear a visitor name tag while on the school campus.

Expulsions	0	0	0	.20	1.7	1.0

* The rate of suspensions and expulsions is calculated by dividing the total number of incidents by the total enrollment.

IV. School Facilities

School Facility Conditions and Planned Improvements (School Year 2011–12)

Sheehy Elementary School provides a safe and clean environment for student, staff, and volunteers. School facilities were build in 1953 and include the multipurpose room, cafeteria, library, 20 permanent classrooms, and 9 portable classrooms, which are all up-to-date and provide adequate space for students and staff. A team of two custodians ensures classrooms, restrooms, and campus grounds are kept clean and safe. In 2001, the district designed a 20-year strategic plan, which includes agendas for modernization, renovation, and upgrading of various areas for each school site. Campus upgrades at Sheehy Elementary took place during the 2002-03 school year and included a new preschool classroom and additions to the playground. Modernization projects for the 2005-06 school year included modernization of 6 classrooms and the library, and a fire alarm upgrade. During the 2010-11 school year, a Youth Enrichment Program portable building was added which is owned by the City of Merced.

Core Academic Classes Taught by Highly Qualified Teachers (School Year 2010–11)

The Federal Elementary and Secondary Education Act (ESEA), also known as No Child Left Behind (NCLB), requires that core academic subjects be taught by Highly Qualified Teachers, defined as having at least a bachelor’s degree, an appropriate California teaching credential, and demonstrated core academic subject area competence. For more information, see the CDE *Improving Teacher and Principal Quality* Web page at: <http://www.cde.ca.gov/nclb/sr/tq/>

Note: Cells shaded in black do not require data.

Supplemental/Restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. **Basic/unrestricted** expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

For detailed information on school expenditures for all districts in California, see the *CDE Current Expense of Education & Per-pupil Spending* Web page at <http://www.cde.ca.gov/ds/fd/ec/>. For information on teacher salaries for all districts in California, see the *CDE Certificated Salaries & Benefits* Web page at <http://www.cde.ca.gov/ds/fd/cs/>. To look up expenditures and salaries for a specific school district, see the Ed-Data Web site at: <http://www.ed-data.org>.

Types of Services Funded (Fiscal Year 2010–11)

In addition to general revenue funding from the State, the District receives state and federal categorical grants and allocations for special programs. This includes, but is not limited to the following categorical, special education, and support programs: Title I, Part A - Basic Grant, Title I, Program Improvement, Title II, Part A - Teacher Quality Title II, Part D - Technology Title III, Part A - Limited English Proficiency, Title IV, Part A - Safe and Drug Free Schools, Special Education, Community Based Education and Tutoring, Home-to-School Transportation, Class Size Reduction, Gifted and Talented Education, Economic Impact Aid and Quality Education Investment Act grant. IX. Student Performance

Standardized Testing and Reporting Program

The Standardized Testing and Reporting (STAR) Program consists of several key components, including:

- **California Standards Tests (CSTs)**, which include English-language arts (ELA) and mathematics in grades two through eleven; science in grades five, eight, and nine through eleven; and history-social science in grades eight, and nine through eleven.
- **California Modified Assessment (CMA)**, an alternate assessment that is based on modified achievement standards in ELA for grades three through eleven; mathematics for grades three through seven, Algebra I, and Geometry; and science in grades five and eight, and Life Science in grade ten. The CMA is designed to assess those students whose disabilities preclude them from achieving grade-level proficiency on an assessment of the California content standards with or without accommodations.
- **California Alternate Performance Assessment (CAPA)**, includes ELA and mathematics in grades two through eleven, and science for grades five, eight, and ten. The CAPA is given to those students with significant cognitive disabilities whose disabilities prevent them from taking either the CSTs with accommodations or modifications or the CMA with accommodations.

The assessments under the STAR Program show how well students are doing in relation to the state content standards. On each of these assessments, student scores are reported as performance levels.

For detailed information regarding the STAR Program results for each grade and performance level, including the percent of students not tested, see the CDE STAR Results Web site at <http://star.cde.ca.gov>.

X. Accountability

Academic Performance Index

The Academic Performance Index (API) is an annual measure of state academic performance and progress of schools in California. API scores range from 200 to 1,000, with a statewide target of 800. For detailed information about the API, see the CDE *API Web page* at <http://www.cde.ca.gov/ta/ac/ap/>.

Academic Performance Index Ranks – Three-Year Comparison

This table displays the school's statewide and similar schools' API ranks. The **statewide API rank** ranges from 1 to 10. A statewide rank of 1 means that the school has an API score in the lowest ten percent of all schools in the state, while a statewide rank of 10 means that the school has an API score in the highest ten percent of all schools in the state.

The **similar schools API rank** reflects how a school compares to 100 statistically matched "similar schools." A similar schools rank of 1 means that the school's academic performance is comparable to the lowest performing ten schools of the 100 similar schools, while a similar schools rank of 10 means that the school's academic performance is better than at least 90 of the 100 similar schools.

Adequate Yearly Progress

The federal ESEA requires that all schools and districts meet the following Adequate Yearly Progress (AYP) criteria:

- Participation rate on the state's standards-based assessments in ELA and mathematics
- Percent proficient on the state's standards-based assessments in ELA and mathematics
- API as an additional indicator
- Graduation rate (for secondary schools)

For detailed information about AYP, including participation rates and percent proficient results by student group, see the CDE *AYP* Web page at <http://www.cde.ca.gov/ta/ac/ay/>.

Federal Intervention Program (School Year 2011–12)

Schools and districts receiving federal Title I funding enter Program Improvement (PI) if they do not make AYP for two consecutive years in the same content area (ELA or mathematics) or on the same indicator (API or graduation rate). After entering PI, schools and districts advance to the next level of intervention with each additional year that they do not make AYP. For detailed information about PI identification, see the CDE *PI Status Determinations Web* page: <http://www.cde.ca.gov/ta/ac/ay/tidetermine.asp>.

XI. Instructional Planning and Scheduling

Professional Development

This section provides information on the annual number of school days dedicated to staff development for the most recent three-year period.

Every year specific days are dedicated to staff development for teachers and other professional staff. Credentialed/licensed staff members receive training in core curricular areas, instructional strategies and technology integration. District conducted staff development include:

2008-2009

- K-5 California Mathematics
- 6-8 Holt California
